

PROFILE

Brand Blue Teal Vineyards
Wine Name Rio Rojo
Vintage Non-Vintage
Varietal % Sangiovese, Nebbiolo, Cabernet Sauvignon, Merlot
Appellation % Non-Appellation

Tasting Notes This is a proprietary blend of at least two of the wines listed above. It is a wonderfully colored wine that is very approachable with mild and integrated tannins. An easy drinking red wine, with a rich nose of red berry, plums and mild hints of freshly sawn wood. Not green in any way, it is full of rich spices, dark plums and deep red berries.

Food Pairings Pair this easy drinking wine with fresh red pasta sauces, BBQ, beef and pork dishes. Also a great burger and pizza wine.

TECHNICAL DATA

<i>Alcohol</i>	12.0%
<i>Brix at Harvest</i>	23.5

<i>Color</i>	brilliant red
<i>Bouquet</i>	red berry, plums, wood
<i>Taste</i>	spices, dark plums, red berries
<i>Serving Temperature</i>	42°- 46°

Blue Teal wines are an expression of nature, designed to highlight the grapes natural flavor & color. Our white wines are un-oaked, allowing them to showcase their beauty through their crisp & floral character. The sweetness or dryness of our white wines is created through the length of the fermentation process. For our red wines, other variables are used, ranging from no oak, to light or medium French or American oak, as well as the length of time that they are matured. Our reds are kept in oak for shorter periods of time, allowing the wines to taste as close to what the grapes taste like straight off the vine. Our philosophy is to let these wines express what was created in the vineyard with simple application of sun, soil and time.
